British Columbia Centennial '71 Committee
Pioneer medallion applicant forms
Originals 1970 4 m

In 1971, to commemorate the centennial of British Columbia's entry into Confederation, the provincial government presented pioneer medallions to B.C. residents who were either born in Canada or were living in Canada prior to 1 January 1897. Persons who were eligible for the medallions were requested to make application through their local centennial committees. The four-part application forms were then forwarded to the office of the Deputy Provincial Secretary who was responsible for distributing the medallions to thousands of pioneers throughout the province.

GR-1490 consists of copies of the medallion application forms. These forms provide the pioneers' names, date and place of birth, and their occupation before retirement. In addition, the forms give the names of applicant's, fathers, maiden names of wives and mothers, names of brothers and sisters, and other genealogical details. These duplicate forms are filed alphabetically, by name of pioneer and by name of community. Also included in this unit are chronological lists of pioneers born between 1860 and 1879.
