British Columbia  
Department of Health Services and Hospital Insurance  
Dept. of Health Services executive records  
Originals 1962-1979 3.38 m

These records include files of Mr. Mainguy (Assistant Deputy Minister of Hospital Insurance, 1972-1975, and was previously Manager of the Consultation and Inspection Division of B.C. Hospital Insurance Services). He was the original chairman of the Planning Group, which was responsible for planning health care development in B.C. This accession includes his Planning Group files, 1966-1974, and the minutes of the Planning Group, 1965-1974. These records also include the files of Mr. Breel who served as Director of the Hospital Consultation and Inspection Division prior to being appointed Senior Director of Hospital Programs in 1976. This accession includes his subject and hospital files, 1974-1978.

Within the Planning Group files, the files for each regional hospital district include correspondence of the ministry with the local hospital board, letters from citizens, and intergovernmental memos.
