To Colonel Moody. &c. Respected Sir.

A few days ago, a Mr Joseph Russell, the Manager of the Government Road, at or near Anderson Lake, came down to Victoria for 20 men to return with him to work on the road. Not being able to find sufficient men, he came to our Office, and authorized us to advertise for 20 men and he would pay all expenses. We did so & he got the men, but this morning he left Victoria by the Caledonia, without paying our bill, and we thought it best to acquaint you, to see how we can get our money, as Mr Russell told us that the Government would pay all expenses. Trusting you will give this your consideration. & favour us with an answer.

We remain Sir
Your Obedient Servant,
Jno. Barnett & Parker.
