Sir,

I have the honor to acknowledge the receipt of the enclosed letter, addressed to you by Mr. Simon Rimbat of Victoria, and in which, I am desired to report.

In reply to Mr. Rimbat's objection on the ground of absence from the Colony, and withdrawal from business, the advertisement hereto attached, taken from the "Daily Chronicle" newspaper, of the

Wm. A. G. Gamm, Esq.
Col. Secy.

The 9th January 1863, is the
best answer to that plea -
The firm of Reinhard Peters
exists to this day, and on change
involving a distinct reconstruction
of that firm has ever taken place -
The retirement measure, of any
one or more of the partners, could
not be effected (and it has been
so held by the Court of Revision
lately in Sydenham) into such a
change of the firm, as to entitle
the remaining partners to the
benefit of the XXXIV Section
of the Trade Licenses Amendment
Act 1862.

The Amount at which
Mr. Reinhart has been charged (\$87850)
was taken from his own return
made by his agent.

Please the honor to be,

Sir,

A reference to the 32nd Section
of the Real Estate Tax Amendment

vacated and forfeited through

First Resignation - Second: Wanting

the

the work of passing the City and

as speedily as possible, I feel it
my duty to bring the matter before
you, and to report for the
information of His Excellency

Sir,

I beg to acknowledge the receipt of your communication of yesterday's date, through which, His Excellency the Governor does me the honor to have enquiry made, if it would be agreeable to me to be appointed a member of the Court of Revision for Real Estate for the city of Victoria, in the room of George Brickshaw Leguire.

I regret to state, that constituted as the Court actually is, it would not be agreeable to me to become a member of it, because it would be impossible to cordially cooperate with all my colleagues. Ready as I always am to perform my full share of the public service, I should have cheerfully accepted the task proposed, were it not for the reason stated.

also of Mr. Thomas S. S. Swannick

I would state that the Boards
were informed by me, that the appor-
portion made this year, would
be insufficient to meet such a
demand, but they were unanimously
of opinion that a Secretary was
essential to the proper working of
the Courts: and that the rooms,
proposed to be used, would be, in
every respect, most convenient and
best suited for the conduct of business.

This question is one not of law, but of fact
and as far as my knowledge of business goes I
should say that Assaying is no part of the business of
a Banker. I should recommend in the interests of
Government that the Assayer should call upon any
Banker applying to be admitted to prove by evidence
before the Court of Revision, that in the understood sense
of Trade, on this coast, or it maybe in gold countries
generally, Assaying is part of the business of a
Banker.

In reply to your letter of the 3rd October requesting, for the information of His Excellency the Governor, my opinion as to the present market value of the Lot, commonly known as Lot 7, in the rear of the Government Buildings; I have the honor to state, that I consider

the market value of the Lot, at

This estimate is based upon

to the South of that on which
