- A To my knowledge I didn't see him back and I made investigations for him to see if he had come back, and he hadn't been back then.
- 49- Q Why did you make that investigation?
- A When I learned that he had gone out I thought the bribery charge had been against him and when I came on duty on Sunday last about four o'clock I learned the accused had been let out on bail.
- 49 Q When did it dawn on you that you had better lay a charge of bribery against him?
- A Directly I found the man was out. I understood the charge was laid against him the evening previous.
- 50 Q That who had laid the charge?
- A The next witness.
- 51 Q You don't know what excuse he is going to make for not laying the charge?
- A I tell you there are such a large number of prisoners upstairs at the present time; there is a mix-up somewhere.
- 52 Q Tell me these two charges you laid of smoking and b bribery which would you consider the most important?
- A I would consider the bribery in the first place, but we had four prisoners with practically the same charge laid against them; four inmates.
- 53 Q How long was it after the information was allaid against this man that an information was sworn charging this man with bribery?
- A We took the prisoners about eight o'clock on Friday Saturday evening and on Sunday afternoon about four o'clock we arrested the accused again.

got working?

A It was on the third floor.

- 68 Q How did you get to the third floor?
A Walked up a back alley through the stairway.
- 69 Q Any search warrant?
A No.
- 70 Q You mean to tell me that you two officers entered the rear premises of private property and walked up three flights of stairs?
A Yes we did it all right.
- 71 Q But you did that anyway?
A I don't think we did any more than our duty calls for.
- 72 Q You did that anyway without a warrant?
A Yes.
- 73 Q Three flights of stairs you say?
A Yes.
- 74 Q And when you got to this particular room, what kind of a door was it on there; a blank door or a glass door?

- 76 Q You didn't look for any?
A No.
- 77 Q You walked right in?
A We knocked at the door and he admitted us in.
- 78 Q Do you mean to say as a matter of fact you knocked as the door; now did you bother to knock at the door?
A We pushed at the door like that.
- 79 Q Do you mean to say after walking up three flights a back alley in the first place without a search warrant that you went to the bother of rapping at the door?

- A Yes we were just going through the different portions of the City we thought there was an opium joint?
- 80 Q You weren't rapping at any doors?
- A Not particularly.
- 81 Q You walked right into this place as a matter of fact?
- A Yes.
- 82 Q Then when you got into this room you found these four men in this room?
- A Yes.
- 83 Q All four in one room?
- A Yes.

- A No they were not lying down; they were sitting on the edge of the bed.
- 85 Q I suppose you had a whole lot of conversation with this men when you walked in?
- A I had none whatever.
- 86 Q Did the other officer have any?
- A Yes.
- 87 Q What did he say? I want his exact words from the time you opened the door and went in?
- A Well he said we are police officers.
- 88 Q Did you say every time you went into a place?
- A I generally do when I start to question.
- 89 Q You generally do?
- A I do when I start to question anybody with regard to police duty? I tell ~~him~~ them I am a police officer.
- 90 Q You didn't do it in this case?
- A He did it that was enough.
- 91 Q Of course you say you corroborate the fact of this \$24.00 passing?

- A Yes I saw it.
- 92 Q You came away with these four Chimanen and brought them down to the "jug"?
- A Yes.
- 93 Q And a charge was laid against them for smoking opium?
- A Inmates of an opium joint?
- 94 Q Who gave the information?
- A I took the prisoners upstairs first and I was searching the prisoners and laying the information at the same time; and of course I spoke about the bribery as I went upstairs.
- 95 Q Who did you speak to about it?
- A In front of the jailor.
- 96 Q But is that the man you speak to when it comes to do with the laying of charges?
- A He lays the charges.
- 97 Q What is the Jailor's name?
- A Emley.
- 98 Q You spoke to him about this bribery charge?
- A Yes.
- 99 Q What did you say to him?
- A I said "what do you think of this fellow bribing us for twenty-four dollars?"
- 100 Q But you didn't suggest that any charge be laid against him?
- A Well we were searching prisoners. I was searching the prisoners and Quirk came up afterwards. I didn't have the charge laid the, but Quirk came up afterwards and I counted ^{the money} over ~~the~~ to him and gave it over to him. I said "here is the money" and I thought Quirk had laid the charge while I was searching the last prisiner.

- 101 Q It is a case of where there is too many people doing things.
- A There were a lot of prisoners at the time.

- A I didn't know.
- 104 Q What magistrate made the order for bail?
- A I don't know that.
- 105 Q Do you know it is customary before bail is given to consult with the detective or the man who arrested the man?
- A I went home at twelve o'clock.
- 106 Q You know this fact that before the magistrate bail he finds out from the detective of any difficulties?
- A Yes.
- 107 Q Was this done in this case?
- A The Inspector.
- 108 Q You expect the Inspector told him all there was against this man was an opium charge?
- A Yes.
- 109 Q As a matter of fact that was all there was against him at that time that he was allowed out on bail of one hundred dollars?
- A I heard the bail was one hundred dollars.
- 110 Q When did you discover that this other man who had offered you only twenty four dollars had not been charged with bribery?
- A He didn't offer me he offered the other man.
- 111 Q That is why you are complaining?
- A I am not complaining.
- 112 Q When did you find out that he had not been charged with bribery?

-13-

- A About four o'clock I think next afternoon.
- 113 Q That is Sunday?
- A Yes.
- 114 Q What did you do then?
- A Well we talked it over and said it was too bad this fellow had gone away and this charge had not been laid against him; and of course we went out and took the accused up.
- 115 Q Did you know as a matter of fact that the accused came back and got his \$24- twenty-four dollars?
- A He didn't.
- 116 Q Do you swear he didn't?
- A Not to my knowledge. He made enquiries at the station.

- A To my knowledge I didn't see him back and I made investigations for him to see if he had come back, and he hadn't been back then.
- 49- Q Why did you make that investigation?
- A When I learned that he had gone out I thought the bribery charge had been against him and when I came on duty on Sunday last about four o'clock I learned the accused had been let out on bail.
- 49 Q When did it dawn on you that you had better lay a charge of bribery against him?
- A Directly I found the man was out. I understood the charge was laid against him the evening previous.
- 50 Q That who had laid the charge?
- A The next witness.
- 51 Q You don't know what excuse he is going to make for not laying the charge?
- A I tell you there are such a large number of prisoners upstairs at the present time; there is a mix-up somewhere.
- 52 Q Tell me these two charges you laid of smoking and b bribery which would you consider the most important?
- A I would consider the bribery in the first place, but we had four prisoners with practically the same charge laid against them; four inmates.
- 53 Q How long was it after the information was ~~all~~ laid against this man that an information was sworn charging this man with bribery?
- A We took the prisoners about eight o'clock on Friday Saturday evening and on Sunday afternoon about four o'clock we arrested the accused again.

54 Q All that time expired before this bribery charge got working?

A I went off duty Saturday midnight and returned again at four o'clock Sunday afternoon.

55 Q Who swore the information for bribery?

A I did.

MR KENNEDY/ Here it is; it speaks for itself. What Mr Kappelle means is who actually swore to the charge? Mr Robinson swore to it.

MR KENNEDY/ Who laid the information?

A I would lay the charge of brobery.

P. C. SCALLION, called as a witness, being first sworn, testified as follows:-

A Walked up a back alley through the stairway.
- 69 Q Any search warrant?
A No.
- 70 Q You mean to tell me that you two officers entered the rear premises of private property and walked up three flights of stairs?
A Yes we did it all right.
- 71 Q But you did that anyway?
A I don't think we did any more than our duty calls for.
- 72 Q You did that anyway without a warrant?
A Yes.
- 73 Q Three flights of ~~stairs~~ you say?
A Yes.
- 74 Q And when you got to this particular room, what kind of a door was it on there; a blank door or a glass door?

- 78 Q Do you mean to say as a matter of fact you knocked as the door; now did you bother to knock at the door?
A We pushed at the door like that.
- 79 Q Do you mean to say after walking up three flights a back alley in the first place without a search warrant that you went to the bother of rapping at the door?

- A Yes we were just going through the different portions of the City we thought there was an opium joint?
- 80 Q You weren't rapping at any doors?
- A Not particularly.
- 81 Q You walked right into this place as a matter of fact?
- A Yes.

- A Yes.
- 83 Q All four in one room?
- A Yes.

- A No they were not lying down; they were sitting on the edge of the bed.

- A I had none whatever.
- 86 Q Did the other officer have any?
- A Yes.
- 87 Q What did he say? I want his exact words from the time you opened the door and went in?
- A Well he said we are police officers.
- 88 Q Did you say every time you went into a place?
- A I generally do when I start to question.
- 89 Q You generally do?
- A I do when I start to question anybody with regard to police duty; I tell ~~him~~ them I am a police officer.
- 90 Q You didn't do it in this case?
- A He did it that was enough.
- 91 Q Of course you say you corroborate the fact of this \$24.00 passing?

- A Yes I saw it.
- 92 Q You came away with these four Chimanen and brought them down to the "jug"?
- A Yes.
- 93 Q And a charge was laid against them for smoking opium?
- A Inmates of an opium joint?
- 94 Q Who gave the information?
- A I took the prisoners upstairs first and I was searching the prisoners and laying the information at the same time; and of course I spoke about the bribery as I went upstairs.
- 95 Q Who did you speak to about it?
- A In front of the jailor.
- 96 Q But is that the man you speak to when it comes to do with the laying of charges?
- A He lays the charges.
- 97 Q What is the Jailor's name?
- A Emley.
- 98 Q You spoke to him about this bribery charge?
- A Yes.
- 99 Q What did you say to him?
- A I said "what do you think of this fellow bribing us for twenty-four dollars?"
- 100 Q But you didn't suggest that any charge be laid against him?
- A Well we were searching prisoners. I was searching the prisoners and Quirk came up afterwards. I didn't have the charge laid the, but Quirk came up afterwards and I counted ^{the money} over ~~me~~ to him and gave it over to him. I said "here is the money" and I thought Quirk had laid the charge while I was searching the last prisiner.

- 105 Q Do you know it is customary before bail is given to consult with the detective or the man who arrested the man?
A I went home at twelve o'clock.
- 106 Q You know this fact that before the magistrate bail he finds out from the detective of any difficulties?
A Yes.
- 107 Q Was this done in this case?
A The Inspector.
- 108 Q You expect the Inspector told him all there was against this man was an opium charge?
A Yes.
- 109 Q As a matter of fact that was all there was against him at that time that he was allowed out on bail of one hundred dollars?
A I heard the bail was one hundred dollars.
- 110 Q When did you discover that this other man who had offered you only twenty four dollars had not been charged with bribery?
A He didn't offer me he offered the other man.
- 111 Q That is why you are complaining?
A I am not complaining.
- 112 Q When did you find out that he had not been charged with bribery?

A About four o'clock I think next afternoon.

113 Q That is Sunday?

A Yes.

114 Q What did you do then?

A Well we talked it over and said it was too bad this fellow had gone away and this charge had not been laid against him; and of course we went out and took the accused up.

115 Q Did you know as a matter of fact that the accused came back and got his ~~\$24~~ twenty-four dollars?

A He didn't.

116 Q Do you swear he didn't?

A Not to my knowledge. He made enquiries at the station.
