the Govt may refer  
the case to  
the Court.  
Copy of this

next sixty days, proceed

I think that Messrs Cooper and Fiterre should  
be told that the Government cannot  
grant their application for preliminary  
protection for the period specified,  
or any other period, but that a  
note will be made of such  
application; to be taken for  
what it is worth.
