Mr. Howse

Dear Sir

I received yours of the 4th in good
time I can sell the Bay Mare and the Brown Horse
Banded HB for \$80.⁰⁰ eighty dollars which I think all
they are worth as Horses are plenty and very low in
price in fact I don't know of another Person that
would buy at any price if you chose to send me
a Bill of Sale for them at that price I will sell them
and receipt that amount to you you did not inform
me who was to settle the Bill on the Ball Mare
if Mr. Duch does not intend to settle it please let me
know the Blue Pony is not worth anything as I told
you two years ago but now I will say she is good for
something if only for the Gov to pay \$20.⁰⁰ for ranching
every year by settling the above Bill at the
earliest chance you much oblige as I am badly
in want of it
