over 3 miles to within a hard bed which
is very little gravel
nothing on the hills but with fairs
in some places almost
impassable
Bain at 12 N. W.
clear up afternoon
up on a Mountain to have
a view finding we are near
The head waters of this perhaps
5 or 6 miles as the stream
Repeating of in a number
of small ones the water desc
and the divide running appa
tly towards the south
they come back to the forks
of Leish about N. E.
both crossing the stream
The South and clearing for
home crossing three streams
coming from the S. W. and
pushing into the Pacific
found no gold in none of
them Camped on one of the
mountains

Transacted for the balance of the former
