Your Excellency
James Douglas
Governor of British Columbia &c.

Having understood that it is
the intention of your Excellency to establish a
"Land Registry Office" for British Columbia: I
have the honor most respectfully to solicit from
your Excellency, the appointment of a Registrar gen-
eral for that office.

Having learned that the Hon. Cap. Gaspott was giving
his attention to the subject, I had the honor, at his request,
to explain to him my views as to the system on which such
an office should be based, and the manner of conducting
it, with which Captain Gaspott expressed himself much
satisfied: and I would refer your Excellency to him for
further information as to my qualifications for the
office.

The Hon. Mr. D. DeGleis authorizes
me to refer your Excellency to him in connection herewith
with much respect

I have the honor to subscribe myself
Your Excellency's
Most Obedt Servt
